If you were a snail
I'd send you an email

to let you know
you've won best in show

for an
architectural design

living work space

and we'd all come
around

to visit your place

If you were a snail
I'd have to say

you have a
wonderful way

of gliding around

without as much
as a sound

along the ground

If you were a snail
I'd sing you a song

lah la-de-da
as we go along

in praise of your
infinite magical ways

lah-la-de-da-da

of solving any maze
